

DE LA SALLE ACADEMY

CONFIDENTIAL LETTER OF RECOMMENDATION

De La Salle Academy is a 5th - 8th Grade school for boys that works with philanthropists and community partners to create an opportunity for students, graduates and families to have access to quality educational opportunities that might not otherwise be available to them due to geographic or socioeconomic factors.

An effective education in our tradition promotes genuine learning in mind, body, and spirit. It challenges our students to become active, critical thinkers and life-long learners, while creating opportunities to practice their faith through prayer and service. By focusing on students during their formative years, De La Salle Academy helps boys to lay a foundation upon which to build future success. Through extended academic days, an extended academic year and small class sizes, DLSA strives to prepare students for the rigors of college-prep high schools and educational opportunities beyond.

Thank you for your time and effort in sharing your insights about this student. Your general character assessment is a critical component in the overall application process. If you know of other students who you believe would benefit from a De La Salle Academy education, please encourage them to contact the school.
